

TOGETHER
we're
TOUGHER
than
CANCER

EMPOWER
YOUR FINANCIAL FUTURE
WITH A CREDIT UNION™

written and promoted by HCU Marketing

Once again, Huggins Credit Union joins with Trinidad and Tobago and the world to show solidarity with those in the fight against breast cancer. The credit union first showed support for this form of cancer back in 2020.

The co-operative continues to promote its message '*Together we are Tougher than Cancer*' and is planning to increase its support in the future.
