

Sweden Hewitt is Huggins Credit Union 2023 Scholarship Winner

Sweden Hewitt was selected as Huggins Credit Union 2023 scholarship winner to pursue a CERTIFICATE IN CREDIT UNION MANAGEMENT at Cipriani College of Labour and Co-Operative Studies. Sweden was the most qualified from the other members that were eligible for consideration.

The Education Committee got responses from six (6) members of the credit union. However, only three of the members complied with the deadlines to submit documents for verification. Since none of the three members met all of the entry requirements, a draw was not conducted. The credit union sought the assistance of Cipriani College of Labour and Co-Operative Studies to determine the winner of the scholarship.

According to Ms. Briggs, the Education Committee will embark on several projects in 2023 to educate members while improving the visibility of the Credit Union. It will be a very exciting year for the membership and committee.
