HUGGINS CREDIT UNION SEA AWARDS FOR STUDENT MEMBERS

Members, is your child a member of the Credit Union and sat the SEA exam for 2024?

If the answer is yes, kindly send us your contact number, their name and the result slip to info@hugginscu.com and we will credit \$200.00 to their Credit Union account!

We have also extended the SEA award to non-member children of existing members. You can now submit for your nieces, nephews, grandchildren and godchildren. In this scenario, they will be required to join the Credit Union and you will need to submit the required information and documents and we will deposit \$100.00 into their account. Please note that you will be required to continue contributing a minimum of \$10.00 per month to the child's account.

Please submit the required information and documents on or before 10:00 am on August 12th, 2024.

The Education Committee may also wish to interview some of the awardees, and will contact those who submitted their information at a later date.

#35 Roberts Street, Woodbrook, Trinidad, W.I.
