

We at Huggins Credit Union celebrate Liberation Day with the Spiritual Baptist Community.

It is with hearts full of joy and gratitude that I congratulate every one of us.

As we celebrate 75 years of Spiritual Baptist Liberation a time of remembrance, where hearts are touched, souls are stirred and lives are forever changed may the love of Christ filling our heart overflowing with His peace, love, joy always rejoicing in His blessings filled with His grace and love, bring light to your life and hope to our soul.

I want us to imagine this moment as a beautiful tapestry woven by God Himself each of us being a unique thread, brought together to create something far more beautiful than we could ever achieve alone.

Today, we are here not just to witness God's work, but to be part of it Acknowledging the Occasion and Purpose.

Happy Spiritual

Shouter Baptist Liberation Day
