

# HUGGINS CREDIT UNION SEA AWARDS FOR STUDENT MEMBERS

Members, is your child a member of the Credit Union and sat the SEA exam for 2023?

If the answer is yes, kindly send us your contact number, their name and result slip to [info@hugginscu.com](mailto:info@hugginscu.com) and we will credit \$200.00 to their Credit Union account!

We have also extended the SEA award to non-member children of existing members. You may now also submit for your nieces, nephews, grandchildren and godchildren. In this scenario, they will be required to join the Credit Union and we will deposit \$100.00 into their account. Please note that you will be required to continue contributing a minimum of \$10.00 per month to the child's account.

Please submit the required information and documents on or before 11:00 pm on July 31st 2023.

The Education Committee may also wish to interview some of the awardees, but we will contact those who submitted their information at a later date.
