

PLUMERIA INN TO OPEN SOON

Joanne Loobie, the Chairperson of Huggins Credit Union Prosperity Committee is looking forward to the guesthouse opening around the end of June. She said the contractor Good Hope, completed the project and intended to hand over the guesthouse by 12th February, 2020. However, this was not officially done due to the Pandemic. Loobie said the Committee had hopes of launching and being operational by mid February 2020 but this was not realized and as business is being faced with the Global Pandemic, plans had to be altered.

The impact of the novel coronavirus on the Tobago Tourism industry may see some businesses not rebounding since the industry is experiencing a huge economic loss from drastic decreases in tourism numbers. The Tourism sector is currently one of the hardest-hit by the outbreak of the coronavirus (COVID-19), with impacts on both travel supply and demand.

Loobie said once the all clear is given by the Government to resume business, the contractor along with a Plumeria Committee team will do a walk thru and the hand over will take place. The marketing and all other technical stuff is being worked on in the interim and would be ready in time for our grand launch. Vacancies are still to be filled to accommodate the daily operations of both the Guest House and the Credit Union's Tobago Office.
